アニメ・マンガ・LN・ゲーム・J-Pop・VTuber・絵...and more

A group of anime-style characters are standing outdoors in front of a school building. In the foreground, a character with brown hair and a white bow tie is looking towards the camera. Behind her, a character with blue hair and a black hoodie is pointing forward. To the right, a character with dark blue hair and headphones is looking off to the side. In the background, there are other characters, including one with glasses and another with blonde hair. A large blue rectangular box covers the middle portion of the image, containing the word "Committee".

General Schedule

Mondays – Series Showing

We play one episode each from three anime series (usually selected by committee, but feel free to make suggestions!). Afterwards, viewers vote on which series they'd like to see the next episode of.

Wednesdays – Art + Social Session

We start with an art session covering various aspects of drawing anime art. We then chill and talk – sometimes about anime, but who knows?

Fridays – Film Showing

We watch an anime film. Stay behind afterwards to discuss whether the film was good!

Saturdays – Jam Session

We play / sing random anime music. Feel free to bring an instrument or a song, or just come and vibe.

Hosted by Hetty:

Explore drawing, from basics to specialist illustrations!

A different topic each week – check our forecast.

Read our weekly 4-koma! We release one each week.

Special Events

London MCM Comic-Con (October 28-30)

A huge convention for comics and gaming, with many art and merchandise stalls all around!

Expect comics, anime, and games stalls. Bring your own cosplay / anime drip and join in on the fun!

We will be going on Saturday! Join the #MCM_Meetup thread on Discord to coordinate.

London Anime Union

We founded the LAU, along with anime societies from UCL, LSE, and Kings. Each university hosts an inter-uni event per academic year.

This year will include a Karaoke session, Maid Café, and Halloween Party!

You need membership to participate in these events.

London Anime Union

LAU Halloween Party

Our first inter-uni event is the LAU Halloween Party. It will be on the second-to-last week of October to avoid clashing with MCM Comic-Con.

Expect fun games, lots of cosplay, and to meet anime fans from other universities!

More details to come in the next forecast.

Special Events

Karaoke

It is an ICAS tradition to have a karaoke event at the end of each term. We sing for hours. We don't sing very well, but it's the spirit that matters.

We start with anime OPs and EDs, but somehow, we always end up singing Let It Go In 25 Languages.

More details to come later this term!

Melon Band

Our very own Melon Band was formed 4 years ago. Since then, they've had three wildly successful concerts and expanded dramatically!

They play anime music and J-music in general.

Today they'll be performing:

1. Viator – Maquia
2. Gurenge – Demon Slayer (The First Take version)
